

Communities Beautification Program

The Communities Beautification Program is a partnership of public organizations, private businesses and property owners, working together to enhance areas that are viewed by the public in Bergen, Passaic, & Essex Counties of New Jersey.

The purpose of this program is to:

- Educate local residents about water conservation through 'smart' landscaping techniques.
- Enhance the local landscape.
- Educate the public about water features.
- Attract more visitors and customers to participating businesses.

To enter your location to be considered for acceptance in the program fill out the form below and send it to our office at: 549 Ryeside Avenue, New Milford, NJ, or go to our 'Contact Us' section of our Web site, www.PremiumAquascapes.com and in the subject line type: **Communities Beautification Program** and enter the following information in the message area:

Business Name: _____

Street Address and City: _____

Contact Name and Position: _____

Email Address: _____ Phone: _____

Cell Phone: _____ Web Site: _____

If your location is selected to proceed to the final selection process we will contact you to discuss:

1. Setting up a design consultation time to discuss what we are proposing.
2. Discuss associated costs of the project.
3. Marketing material and distribution.
4. Maintenance program for the proposed project.
5. Establish a date and/or timeframe for installation of project.

Premium Aquascapes is a Certified Aquascape Contractor specializing in the professional installation of low maintenance waterfeatures and landscapes. Pieter van Westervelt is the owner of the company and personally designs and supervises all aspects of the installation process. Pieter has over 25 years of experience in the green industry and has designed many beautiful landscapes across the Northern New Jersey area.
